- Bill - we need another memo back to him - establish a "track record" - telling him about ultimate plans.

MEMORANDUM FOR: Director of Logistics

FROM:

Associate Deputy Director for Operations
for Counterintelligence

SUBJECT: New Headquarters Building (NHB) Space for
CI Center

REFERENCE: CI-154-88, Dated 19 May 1988

1. My understanding from [redacted] Chief, Headquarters Consolidation Staff, is that 4,200 square feet of space will be available in the NHB for interim occupancy by the CI Center from January 1989 until 1991. Use of this space will be helpful until our final resting space can be decided, as addressed in my previous memo to you. I would eventually like to house the entire Center in one contiguous area and hope to do this when our final resting place is identified.

2. As it stands now, I plan to house the Center's Analysis Group in the NHB space and will need additional design work completed in order to maximize the use of this space. I hope to house [redacted] people and include a conference room within the 4,200 square foot area. [redacted] C/CIC/SS, on [redacted] will be in contact with your staff to discuss our design requirements. Thank you for your support.
